Our team of experienced mariners and marine educators will guide you through a comprehensive sailing expedition, where you'll learn the art of navigation, hoist the sails, and navigate the open waters like a true seafarer. You'll witness the beauty of pristine coastlines, venture into

secluded coves, and discover hidden islands that few have ever set foot on.

Experience the Thrill of Marine Conservation

Beyond the captivating adventures, Carlisle and Holbrooke Naval Adventures is also dedicated to promoting marine conservation and environmental stewardship. As you sail alongside our marine biologists, you'll gain firsthand knowledge about the delicate ecosystems of our oceans.

Participate in hands-on research projects, learn about marine pollution and its impact on wildlife, and witness the importance of preserving our oceans for future generations. Your adventure will not only be exhilarating but also educational, leaving you with a deeper appreciation for the marvels of the underwater world.

Explore Remote Destinations and Embrace Cultural Exchange

Our meticulously planned itineraries will take you to some of the world's most fascinating and remote destinations. From the white-sand beaches of the Caribbean to the towering glaciers of Antarctica, you'll experience diverse cultures, meet local communities, and learn about their maritime traditions.

Immerse yourself in the vibrant markets of Morocco, witness the ancient ruins of Greece, or kayak alongside whales in the icy waters of the Arctic. Our adventures are designed to broaden your horizons, foster global connections, and inspire a lifelong passion for exploration.

Hands-On Learning for All Ages

Carlisle and Holbrooke Naval Adventures are not just for experienced sailors or marine enthusiasts. Our programs are designed to cater to individuals of all ages and backgrounds. Whether you're a lifelong learner seeking new challenges or a family looking for an unforgettable educational experience, we have an adventure tailored to your needs.

Our onboard educators will provide hands-on learning opportunities that will captivate your mind and spark your imagination. From celestial navigation to marine biology, oceanography to underwater photography, you'll gain practical skills and invaluable knowledge that will stay with you long after your voyage ends.

Testimonials from Our Adventurers

“

"My experience with Carlisle and Holbrooke Naval Adventures was nothing short of transformative. I learned so much about sailing, marine conservation, and the world around me. The crew was incredibly knowledgeable and passionate, and I felt like I was part of a real maritime community." "

“

"My family and I had the most amazing time on our adventure to the Caribbean. We saw dolphins, swam in crystal-clear

waters, and learned about the local culture. It was an educational and enriching experience that we will cherish forever." "

" "As a lifelong sailor, I was impressed by the authenticity and attention to detail in Carlisle and Holbrooke's programs. I highly recommend them to anyone who seeks a truly immersive and unforgettable maritime adventure." "
