March is a time of renewal and growth. The days are getting longer, the weather is getting warmer, and the flowers are starting to bloom. It's a time to shake off the winter blues and get creative.

If you're an expert, coach, or info product creator, March is a great time to start brainstorming new content ideas. But what if you're feeling stuck? What if you're experiencing writer's block?

Don't worry, I've got you covered. I've put together a list of March prompts that will help you overcome writer's block and get your creative juices

flowing.

## **Prompts For Experts**

1. What are the top trends in your industry? How can your audience stay ahead of the curve?
2. What are the most common challenges your audience faces? How can you help them overcome these challenges?
3. What are the most important lessons you've learned in your career? How can you share these lessons with your audience?
4. What are your predictions for the future of your industry? How can your audience prepare for these changes?
5. What are the biggest opportunities for your audience in the coming year? How can they seize these opportunities?

## **Prompts For Coaches**

1. What are the most common goals your clients have? How can you help them achieve these goals?
2. What are the biggest obstacles your clients face? How can you help them overcome these obstacles?
3. What are the most important qualities of a successful coach? How can you develop these qualities in yourself?
4. What are the most effective coaching techniques? How can you use these techniques to help your clients achieve their goals?
5. What are the biggest trends in the coaching industry? How can you stay ahead of the curve?

## Prompts For Info Product Creators

1. What are the most important topics to cover in your info product? How can you make sure your content is valuable and actionable?
2. What are the different formats you can use for your info product? How can you choose the format that's best for your audience?
3. How can you promote your info product effectively? How can you reach your target audience?
4. What are the biggest challenges info product creators face? How can you overcome these challenges?
5. What are the biggest opportunities for info product creators in the coming year? How can you seize these opportunities?

I hope these prompts have helped you overcome writer's block and get your creative juices flowing. Remember, the key to success is to be consistent with your content creation. Set aside some time each week to brainstorm new ideas and write new content.

The more you write, the easier it will become. And the more valuable content you create, the more successful you will be.

So what are you waiting for? Start writing today!
