Stud In The Stacks was formed in 1965 by four female students: Pam Brown, Julie Friedman, Eve Locke, and Margo MacIntyre. The band's name was a play on the term "stud," which was used to describe a male student who was considered to be cool and popular. The band members wanted to show that women could be just as cool and popular as men, and they chose the name Stud In The Stacks to reflect that.

Stud In The Stacks played a variety of music, including rock, folk, and blues. They were known for their energetic live performances, and they quickly became a popular band on campus. The band played at parties,

dances, and other events, and they even opened for some of the biggest names in music, such as The Who and The Rolling Stones.

In 1968, Stud In The Stacks played at the Harvard-Yale football game. This was a major event, and it was a sign that the band had made it big. The band's performance was a huge success, and they received rave reviews from the crowd.

Stud In The Stacks broke up in 1969, but they left a lasting legacy as one of the first all-girl bands to play at a major university. The band's members went on to have successful careers in music and other fields, and they continue to inspire young women to pursue their dreams.

The Members of Stud In The Stacks

- **Pam Brown** was the band's lead singer and guitarist. She was known for her powerful vocals and her charismatic stage presence.
- **Julie Friedman** was the band's drummer. She was known for her solid drumming and her infectious energy.
- **Eve Locke** was the band's bassist. She was known for her funky bass lines and her cool demeanor.
- **Margo MacIntyre** was the band's rhythm guitarist and vocalist. She was known for her sweet vocals and her catchy songwriting.

The Music of Stud In The Stacks

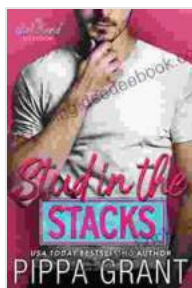

Stud In The Stacks played a variety of music, including rock, folk, and blues. They were influenced by a wide range of artists, including The Beatles, The Rolling Stones, and Bob Dylan. The band's music was often upbeat and energetic, and it was always infused with a sense of fun.

Stud In The Stacks were known for their live performances. They were a tight band, and they always put on a show that was both entertaining and exciting. The band's energy was infectious, and they always left their audiences wanting more.

The Legacy of Stud In The Stacks

Stud In The Stacks was one of the first all-girl bands to play at a major university. They paved the way for other female musicians, and they inspired young women to pursue their dreams. The band's legacy continues to this day, and they are still remembered as one of the most influential all-girl bands of all time.

Stud In The Stacks was a groundbreaking band that helped to break down barriers for female musicians. They were a talented and passionate group of women, and their music inspired a generation of fans. The band's legacy continues to this day, and they will always be remembered as one of the most influential all-girl bands of all time.
