The Children of the New Forest is a historical novel by English author Frederick Marryat. It was first published in 1847 and is set in the New Forest in Hampshire, England, during the reign of Charles II. The novel tells the story of four orphaned children who are forced to fend for themselves after their parents are killed during the English Civil War.

The children are Edmund, Humphrey, Alice, and Edith Beverley. Edmund is the eldest and takes on the role of leader. Humphrey is the second eldest and is a skilled hunter. Alice is the only girl and is a kind and caring person. Edith is the youngest and is a bit of a tomboy.

The children live in a small cottage in the forest and must learn to survive on their own. They must find food, shelter, and clothing. They must also protect themselves from the dangers of the forest, such as wild animals and outlaws.

The children face many challenges, but they are always there for each other. They learn to rely on each other and to work together. They also learn to be resourceful and to never give up.

The Children of the New Forest is a heartwarming story of adventure and resilience. It is a story that will stay with you long after you finish reading it.

The Characters

The characters in The Children of the New Forest are all well-developed and believable. Each child has their own unique personality and strengths.
