The novel follows the story of Providence, a young woman who is haunted by her past. As a child, she witnessed the death of her mother, and she has never been able to fully recover from the trauma. Now, as an adult, she is struggling to find her place in the world. She is drawn to the supernatural, and she begins to experiment with witchcraft.

As Providence delves deeper into the world of the supernatural, she begins to uncover the secrets of her own past. She learns that her mother was a witch, and that she herself has inherited her mother's powers. This discovery forces Providence to confront her own identity and her own destiny.

This Side of Providence is a beautifully written and thought-provoking novel. Newitz's prose is lyrical and evocative, and she creates a rich and

atmospheric world that is both haunting and alluring. The novel's characters are complex and well-developed, and the plot is suspenseful and engaging.

One of the things that makes *This Side of Providence* so unique is its exploration of the supernatural. Newitz does not shy away from the dark side of the supernatural, and she shows how it can be both a source of power and a source of danger. The novel also explores the role of women in the supernatural world, and it challenges traditional notions of femininity.

This Side of Providence is a must-read for fans of literary fiction and psychological thrillers. It is a haunting and thought-provoking novel that will stay with you long after you finish reading it.

Themes

* Identity * Trauma * The supernatural * The role of women in the supernatural world * Traditional notions of femininity
